## *Deluxe Accommodation*

Oaks on Market Studio Apartments feature modern kitchenettes while the one and two bedroom apartments provide guests with the luxury of separate bedrooms, spacious living areas and dining rooms – perfect for a bride and her bridesmaids to get ready in or the newlyweds to enjoy the luxuriousness of the size. Each room also boasts air-conditioning, LCD TV with cable channels, internet access and contemporary appointments; some also present sweeping city skyline views.

## *Planning Your Wedding*

We conveniently host weddings every day at Oaks on Market. Please bear in mind Saturday weddings are most popular and we recommend booking as early as possible.

### **Touring the Venue & Tasting the Menu**

Make an appointment with our dedicated wedding coordinators. Please allow at least 30 minutes to view the venue and enjoy lunch or dinner at our restaurants while you are here.

We offer menu tastings free of charge for the bride and groom once your wedding booking is confirmed. The chef can be booked two weeks prior to the proposed tasting date and you can select two options from each course to taste test. If you're yet to confirm your wedding booking, a tasting can be arranged for a nominal charge.

### **Rehearsal Dinner**

Prepare for your special day with a pre-wedding rehearsal dinner with your family and closest friends at our onsite restaurant and bar.
